- Peter:** This whole city is rich with history because the country had its beginnings here - even the Freedom Trail we're riding on.
- Sally:** Did your parents take you to a lot of places as a kid?
- Peter:** Yeah, my dad took me to the Public Garden at Boston Common a lot. We enjoyed playing around there. It's the oldest city park in all of the USA.
- Sally:** And here we are at Faneuil Hall Marketplace. The country was actually founded from meetings that took place here. I was looking at all the treats when my parents went shopping for food.
- Peter:** Yeah, yeah, one time I was feeding the pigeons when the big clock bell struck. It scared me.

Learning Points

Past Tense and Past Continuous tense

You use the Simple Past tense to talk about events that are finished.

You use the Past Continuous to talk about events or an action that was happening at a time in the past.

Simple Past tense verbs can be regular or irregular.

Regular verbs end in *-ed* or *-ied*.

Irregular verbs change in different ways.

For questions in the past, you use the auxiliary *did* followed by the verb in the base form, like *Did you ask ... ?*

Did is the past form of *to do*.

For Past Continuous, we add *was/were* + *verb -ing* to verbs. Some verbs need a change to the last letter to add *-ing*.

Examples:

- **Peter:** *My dad took me to the Public Garden at Boston Common a lot when I was younger.*
- **Peter:** *I loved taking photos of that big old navy sailing ship as a kid.*
